

TRENDTOUR INTERNATIONAL

3-COUNTRY REGION

04-06 May 2026

Dear Leaders, dear friends,

we warmly invite you to the Leaders Club International Trend **Tour** in the tri-border region, an area known for its beautiful landscape and the best climate in Germany. The tour will begin at Europa-Park in Rust, a long-standing member of the Leaders Club Germany and host of our opening gathering.

On Monday, May 4, we will meet at Hotel Bell Rock in Rust for a relaxed get-together. A ride on the Europa-Park Express will give us our first impressions of the park's diversity and a look *behind the scenes*, before we immerse ourselves in the **multisensory culinary** experience EATRENALIN for an experience dinner in the evening and round off the day at the EATRENALIN Bar.

On Tuesday, May 5, after breakfast we will visit Meiko in Offenburg, where the Experience Center offers fascinating insights into hygiene, sustainability, and modern kitchen technology. After lunch, we will embark on a walking trend tour through Offenburg, exploring best-practice examples, before enjoying the evening at Schöllmanns Bar & Küche and on the rooftop terrace.

On Wednesday, the tour concludes after a final shared breakfast with a special visit to the historic Ollwiller winery in France – including an insider tour, lunch, and the opportunity to purchase wines. At around 3 p.m., we will say goodbye after an inspiring time together.

Eat. Drink. Inspire.
